MANUFACTURER DECLARATION

Subject: EC REGULATION 1907/2006 (REACH)

Dear Customer,

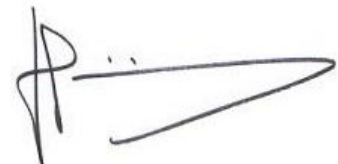

According to our knowledge at present, can we declare that none of the substances included in regulation (EC) No. 1907/2006 (REACH) are used in the production process of our suppliers or in our production process.

So, none of these substances are used intentionally to manufacture our products.

We are regularly in contact with our suppliers and taking care to any changes in the regulation. If necessary, because of changes of our evaluation regarding the REACH-regulation, we will inform you.

In case of any other question about this, please don't hesitate to contact us.
